

**AMENDMENTS TO THE SPECIFICATION:**

Please amend the specification as follows:

Page 13, lines 1-4, please amend the paragraph as follows:

Fig. 12 is a plan view schematically showing the basic configuration of wiring in the ~~third~~ tenth embodiment (1j) of the wiring substrate (or wiring layer) used in the present invention.

Page 13, lines 5-8, please amend the paragraph as follows:

Fig. 13 is a plan view schematically showing the basic configuration of wiring in the ~~third~~ eleventh embodiment (1k) of the wiring substrate (or wiring layer) used in the present invention.

Page 22, lines 17-23, please amend the paragraph as follows:

The substrate 1h includes first wirings 401, ~~401~~ 402 extended respectively from bisected partial current passing regions 36, 36 and functioning as main wirings (trunk wirings) for feeding electricity, and a group of second wirings 402 branched from the first wirings 401, 401 and extended so as to draw circular arcs in the circumferential direction.
